

REMARKS/ARGUMENTS

Favorable reconsideration of this application, in light of the present amendments and following discussion and in view of the previously submitted amendment is respectfully requested.

Claims 4-8 and 11-27 are pending. Claims 1-3 and 9-10 were canceled in a previous amendment. Claims 4-6 and 22-27 are withdrawn. No claims are added, canceled, or amended in the present amendment.

The specification is amended to address minor typographical errors. Specifically, “20K” is changed to “20°C.” Applicants respectfully submit that as these quantities are identical and are merely changed as to the units of temperature used, support for the amendments to the specification is self-evident.

Accordingly, in combination with the amendments and arguments submitted in the previous response, it is respectfully submitted that this application is now in condition for allowance. A Notice of Allowance for Claims 4-8 and 11-27 is earnestly solicited.

Should Examiner Dhingra deem that any further action is necessary to place this application in even better form for allowance, Examiner Dhingra is encouraged to contact Applicants’ undersigned representative at the below-listed telephone number.

Respectfully submitted,
